Sir:

Pursuant to 37 C.F.R. §§1.56 and 1.97(d), applicants bring to the Examiner's attention the document listed on attached Form PTO/SB/08. A copy of the listed document is attached. Applicants respectfully request that the Examiner consider the document listed on attached Form PTO/SB/08 and indicate that it was considered by making an appropriate notation on this form.

This Information Disclosure Statement is being filed after a Notice of Allowance but before payment of the issue fee and is accompanied by a fee of \$180.00 as specified under § 1.17(p) and a statement as specified under § 1.97(e).

Each document listed in this Information Disclosure Statement was first cited in a communication from the European Patent Office in a counterpart foreign application, and this Information Disclosure Statement is being filed within three months of the mailing date of that communication.

The following constitutes the statement specified by Section 1.704(d) required to avoid a negative patent term adjustment. If the Examiner applies the document as prior art against any claim in the application and applicants determine that the cited document does not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
